

Mountain to Mouth Flora and Fauna Walk & Revegetation Activity

Friday 4th May 2018 3.30pm to 4.30pm

Led by
Greening Australia

- Join Greening Australia Officer Candice Parker on a 40minute walk to learn about what Greening Australia is doing to protect and enhance Limeburner's Lagoon
- Learn about the local flora, fauna and coastal values including migratory wader bird species, Coastal Saltmarsh and Mangroves.
- Then stay on to participate in a planting activity and enjoy the Earth Ship Walking Circle Installation at the Rotunda
